

Online Banking Agreement

This Agreement provides information about the Triad Bank Online service and contains the disclosures required by the Electronic Funds Transfer Act. By subscribing to the Service or using the Service to make any payments to a third party, the Customer agrees to the terms of this Agreement.

For the purpose of this document, "Customer," "you," or "your" shall refer to each Customer who signs up for Triad Bank Online. "Bank," "we," or "us" shall refer to Triad Bank. All references to time of day in this Agreement refer to Central Standard Time.

A. Triad Bank Online Service

Triad Bank Online is a consumer electronic banking service. You may access Triad Bank Online using a personal computer through Triad Bank's web page on the Internet.

B. Banking Day

Triad Bank's business days are Monday through Friday, 9:00 A.M. to 5:00 P.M.

C. Service Available through Triad Bank Online

Through Triad Bank Online, you may use a personal computer through an Internet connection to:

1. Obtain account balances and transaction information;
2. Transfer funds electronically between accounts;
3. Obtain account statements;
4. Obtain certain Triad Bank product and service information;
5. Electronically direct the Bank to make Bill Payments from your account to third parties ("Payees") that you have selected to receive payments through this service. You may make payments through the use of the Bill Payment service to any business, professional, merchant, family member or friend.

Collectively, these are referred to as the "Service".

D. General Information about Triad Bank Online

You may use Triad Bank Online virtually any time, day or night, 7 days a week. However, Triad Bank Online may be temporarily unavailable due to Triad Bank record updating or technical difficulties. To utilize the services, you will need to enter your Account # and Password and otherwise satisfy the system's security procedures. You cannot use an e-mail to make a Bill Payment or transfer funds.

E. Bill Payment Procedures

- 1. Account Designation and Payees.** The payee list is a list of all utility companies, merchants, financial institutions, insurance companies, individuals, etc. to whom you make payments through Bill Payments. To be processed correctly, you must include a complete mailing address, telephone number and

account number for each Payee. Any payee you wish to pay through Triad Bank Online must be payable in U.S. Dollars and located in the United States.

- 2. Scheduling and Delivery of Bill Payments.** You may schedule Bill Payments to be initiated on the current business day, on a future date or on the same date of each month, subject to the restrictions in the Agreement. Although you can enter payment information through the Service 24 hours a day, 7 days a week, payments can be initiated only on business days. Funds will be deducted from your Account on the business day on which a payment is to be "initiated." This date is referred to in this Agreement as the "Transaction Date." Funds must be available on the Transaction Date. If you direct the initiation of a payment to occur on a day other than a business day, it will be initiated on the following business day. You cannot cancel a Bill Payment for any reason once you have submitted the transaction and received a confirmation number, as funds are immediately deducted from your designated account.

After funds are withdrawn from your Account, we may remit your payments by mailing your payee a check, by electronic funds transfer, including ACH, or by other means as appropriate. Because of the time it takes to send payments, your payee will generally not receive payment on the Transaction Date. This applies regardless of whether the payment is a next-day payment, a future payment or a recurring payment. Therefore, in order to provide sufficient time for Bill Payments to be received by your payee, the Transaction Date should be at least 5 business days prior to the date the payment is due, excluding any applicable grace periods. It is helpful to allow additional time for a payment to be completed the first time a payment is sent to a payee through the Service. This allows the payee to adjust to the new form of payment. Payments must be scheduled by the electronic cut-off of 6:00 p.m. CST on any business day in order for the payment to be initiated for that business day.

You agree that we may obtain information regarding your account with any payee in order to facilitate proper handling and crediting of your Bill Payments.

The number of Bill Payments that you may make may be limited by law or government regulation, for example the limits on payments to a third party from Savings accounts and Money Market accounts to no more than 3 per month or statement cycle. The Bank may establish restrictions on Bill Payments that may exceed those limits.

- 3. Recurring Bill Payments.** Recurring payments are those made for the same amount scheduled on a weekly, bi-monthly, monthly basis or some other consistent interval. Once started, recurring payments will be made automatically until the Bank is notified to stop or cancel the service and the bank has sufficient time to cease the recurring payment(s).
- 4. Canceling Bill Payments.** You may use a PC to cancel a payment up to 6:00 p.m. CST on the business day the payment is scheduled to be initiated. If you are canceling a recurring payment using the Bill Payment service, all future payments to that Payee will cease unless you specifically instruct the Bank to continue future recurring payments. There is no fee for canceling a payment online.

F. Our Liability for Failure to Complete Transactions

Triad Bank is responsible only for exercising ordinary care in making payments upon your authorization and for mailing or sending a payment to the designated payee. If we do not complete a payment on time or in the correct amount according to this Agreement, we might be liable for some losses or damages. The Bank is not liable in any way:

1. If through no fault of the Bank, you do not have sufficient funds in your account to make the payment on the processing date
2. If the estimate of time to allow for delivery to the payee is inaccurate
3. If due to delays in mail delivery, changes of merchant address or account number payment is not made in a timely manner
4. For the failure of any merchant to account correctly for or credit the payment in a timely manner, or otherwise mishandle or delay the payment
5. If the money in your account is subject to legal process or other encumbrances restricting the transaction
6. If the system was not working properly when you started the transaction
7. If circumstances beyond our control (such as fire or flood or systems failure) prevent the transaction, despite reasonable precautions that we have taken
8. If the payment would go over the credit limit on your overdraft line (CheckMate loan)
9. If you incorrectly type required information such as account number, amount or other necessary information.

There may be other exceptions not specifically mentioned above.

G. Transfers

1. Transfers Between Accounts. Funds will be deducted from your account on the business day on which a transfer is to be "initiated." This date is referred to in this Agreement as the "Transaction Date." Funds must be available on the Transaction Date. If you direct the initiation of a transfer to occur on a day other than a business day, it will be initiated on the following business day. You cannot cancel a transfer for any reason once you have submitted the transaction and received a confirmation number, as funds are immediately deducted from your designated account. Transfers must be scheduled by the electronic cut-off of 6:00 p.m. CST on any business day in order for the payment to be initiated for that business day.

The number of transfers that you may make may be limited by law or government regulation, for example the limits on transfers from Savings accounts and Money Market accounts to no more than 6 per month or

- 2. Recurring Transfers.** Recurring transfers are those made for the same amount scheduled on a weekly, bi-monthly, monthly basis or some other consistent interval. - 3. Canceling Transfers.** You may cancel a payment online up to 6:00 p.m. CST on the business day the transfer is scheduled to be initiated. If you are canceling a recurring transfer, all future transfers will cease unless you specifically instruct the Bank to continue future recurring transfers. There is no fee for canceling a payment online.

You will have the capability of viewing up to two month's worth of account history for checking and savings accounts. Certificates of deposit and loans will display lifetime history. All payments, transfers and/or fees associated with the Service will appear on your monthly account statement. The payee name, payment amount, and date of the payment will be shown for each payment made through the Service during that month. If you enter a transaction description, this will also appear on the monthly account statement.
